

CAPILLARY TEE PIECE

(COMP-0022-ABS-R25 - 25mm)

EN

Used to connect the aspirating pipe to 10mm OD flexible nylon tubing.

Installation Instructions:

Use the correct solvent Plusbond 3019. Do not paint. Keep pipe clean and free from dust. Do not install in direct sunlight. Only install with approved pipe. Do not use solvents to clean, only soapy water.

TR

Aspirasyon borusunu 10 mm OD esnek naylon boruya bağlamak için kullanılır.

Kurulum Talimatları:

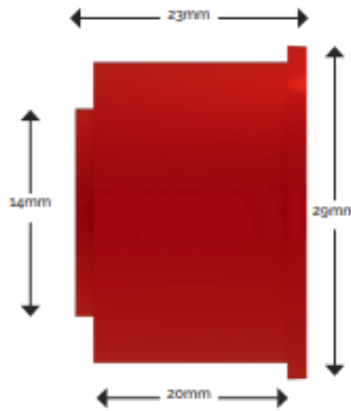

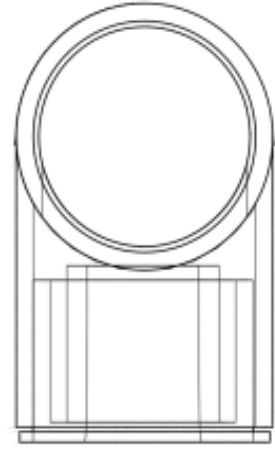

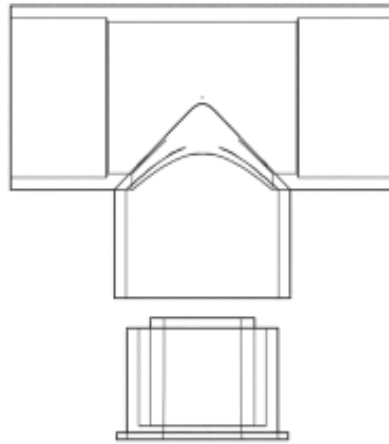

Doğru solvent Plusbond 3019 kullanın. Boya yapmayın. Boruyu temiz ve tozsuz tutun. Doğrudan güneş ışığı altında montaj yapmayın. Sadece onaylı boru ile monte edin. Temizlemek için solvent kullanmayın, sadece sabunlu su kullanın.
